

Here is how your proud support helps us to plan for the future of our children's grandchildren...

Thank you!

2016 ANNUAL REPORT

OHWOWKIDS.org

OH WOW! opened in downtown Youngstown, Ohio on May 12, 2011 to rave reviews and overwhelming community support! Since opening our doors, more than 281,838 explorers have been served. We are a world-class museum with more than sixty permanent, hands-on interactive exhibits and new programs each month—all linked to the educational content standards of Ohio & Pennsylvania.

OH WOW!'s mission is to foster independent thinking and enrich the lives of all children by creating a welcoming environment where they can develop learning skills and knowledge through the exploration of HANDS-ON interactive exhibits and educational programs which are rooted in science, technology, engineering and mathematics (STEM).

Principal Sources of Support

Plan to Attend 7 Days of STEM
Opening w/ Silly Science Sunday
September 17, 2017 - a free event!

Youngstown Regional
