Connections to Ohio NEW State Science Standards: Pre-K

WOW! Zone	Avionics			Brain Power		Early Childhood				Earth & Weather						Energy		Engineering						Health & Wellness		River of Knowledge					Sound & Light			
Exhibit Module **Academic Content Standards Pre-K**	Airplane	Airplane Design	Airplane Launcher	ATM Machine	Brain Quiz	Blocks in Nest	Crackle Screen	Funhouse Mirrors	Peekaboo Window	Coal Stump	Fossils	Green Screen	Hurricane Chamber	Shake Table	Video Browser	Bug Dome	Solar Kiosk	Amazing Airways	Catenary Arch	Gear Wall	Kapla Blocks	Lego Table	Magnet Wall	My Plate	R.O.N.	Archimedes Screw	Bernoulli Fountain	Erosion Table	Stream Table	Tide Pool	Echo Tube	Laser Guitar	PVC Pipe Organ	Rhythm Machine
TOPIC: Earth and Space Sciences: Daily and Seasonal Changes																																	
CONTENT STATEMENT:																																	
Weather changes every day.												X	X		X		X																
Water can be observed as lakes, ponds, rivers, streams, the ocean, rainfall, hail, sleet or snow.												X	X		X		X								X	X	X	X	X				
Rocks and soil have properties that help identify them.										X	X																X	X	X				
TOPIC: Physical Science: Observation of Objects and Materials																																	
CONTENT STATEMENT:																																	
Objects and materials are described by their properties.	X	X	X	X	X	X	X	X	X	X	X	X	X	X	X	X	X	X	X	X	X	X	X	X	X	X	X	X	X	X	X	X	X	X
Many objects can be made to produce sound.	X		X				X							X			X	X			X									X	X	X	X
