

## 8<sup>TH</sup> Annual Silly Science Sunday

- Street Festival focused on hands-on, interactive STEM displays, exhibits, and stage shows!
- Addresses a documented need in our community to improve STEM learning among our school-aged population, especially preschool, elementary and middle school students.
- Showcases local and regional STEM-based educators, organizations, businesses and groups.
- Exhibitors are selected through an application process and offer interactive activities.

### Event Objectives:

- ✓ cultivate audiences' interest in STEM;
- ✓ enhance participants' identity as STEM learners;
- ✓ promote participants' understanding of discipline content knowledge and the scientific process; and
- ✓ inspire young people to pursue future STEM careers.
