

What Will You Make Today?

Paper Beads

Supplies :

- Paper
 - Magazines
 - Gift wrap
 - Scrapbooking paper
 - Book pages
- Small dowel rod
- Glue or glue stick
- Scissors or rotary cutter
- Clear nail polish (optional)

Process :

- Cut or tear paper to size
- Start wrapping paper tightly around dowel
- Glue beginning to secure paper
- Continue to wrap the paper around the dowel gluing as needed
- Glue down end of paper
- Using the excess glue from the last step, spread a thin layer on the outside of the bead
- Carefully slide the bead off of the dowel
- Let dry

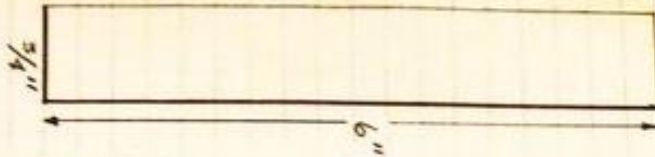

Optional :

- Coat beads with clear nail polish to add shine and durability
- Make a one-of-a-kind piece of jewelry from your handcrafted beads!
