

What Will You Make Today?

Pulled String Paintings

Supplies :

- Paper
- String
- Paint
- Palette
- Paintbrush
- Old Book
- Water
- Rag or Paper Towels

Process:

- Get two pieces of paper or use one and fold it in half
- Dip string in paint on your palette, using the paintbrush to make sure it is saturated, but leave a few inches without paint to hold onto
- Pull the string out of the paint while holding the string down with the paintbrush to remove the excess
- Place string on paper leaving clean part sticking out the bottom
- Fold paper in half or place other piece of paper on top
- Put an old book on top and hold it firmly
- Pull string out the bottom
- Unfold and admire!

OH WOW!
