

Cloud - Doh

Materials :

- Conditioner (1 cup)
- Corn starch (2 cups)
- Food coloring (optional)
- Mixing bowl
- Spoon

Procedures :

1. Add 2 cups cornstarch and 1 cup conditioner in a large mixing bowl
 - a. **Note!** You can add food coloring to the bowl to add some color!
2. Mix ingredients until it becomes a dough-like texture
3. Knead dough together using hands until it reaches desired consistency
4. Play!

The Science Behind It :

Similar to making slime, cloud-doh combines different states of matter to create a new item. When we mix conditioner (liquid) and corn starch (solid), we make cloud-doh. Cloud-doh has properties that are similar to slime and play-doh. It can be molded, stretched, and twisted!
